## Principal's Report

23rd May, 2019

As we welcome back Mrs Middleton after her exciting South American holiday we thank Mr Hockey for the teaching and learning experiences he provided the students of 3/4/5/6 with. After her marriage earlier this year, Mrs Pepperall will be taking leave for the remainder of this term to enjoy her honeymoon with a European holiday. Mrs Hill will replace Mrs Pepperall and continue the teaching and learning program in science and support.

I congratulate all students on their effort in running the school cross country and thank those parents who braved the cold to support all runners. As a result of our school carnival, students have been selected to participate in the Razorback Cross Country on Friday 31<sup>st</sup> May. I would like to wish all those students the very best of luck in this event.

Students in Years 3-6 certainly had a challenging but rewarding time as they worked with artists from Southern Tablelands Art to create large lanterns for Illuminate Wollondilly. Watching the students work together to cover the lantern frames and paint them was very rewarding. For those families who were able to attend Illuminate Wollondilly I hope you were impressed. Well done to Luke, Leah, Kobe and Jordi who carried the lanterns as part of the parade.

Well done to students in Year 3 and Year 5 on the completion of your NAPLAN assessments. We were very lucky that our technology worked with only a couple of problems that were easily overcome.

It is with pleasure that I inform the community that the School Canteen Menu meets all the requirements of the NSW Government Healthy Schools Menu Check. We are very lucky to have Mrs McCleod managing our canteen and ensuring that the students of Yanderra can choose everyday food that is balanced and healthy.

On Tuesday students in K/1/2 attended the responsible pet ownership program. They learnt how to behave around dogs and how to look after dogs. They were very lucky to meet Jax who was bigger than some to the children.

### Student Reports

At the end of this term all students will bring home a Semester One student report. This report will inform families of the progress students are making in English, Mathematics and other Key Learning Areas. Evidence of student work when matched against indicators will be assessed as 'Working Towards', 'Working At' and 'Working Beyond'. Students will also be assessed on an A to E scale or Outstanding, High, Sound, Basic and Limited. Using this scale 'Sound' means that students are working at the learning outcomes appropriate for their stage of development. Please note Kindergarten students will not be graded on this scale. Your child will also have the opportunity to reflect on their personal learning.

### Library

Just a reminder that 3/4/5/6 have Library on Monday afternoon while students in K/1/2 have their library on Tuesday afternoon. Please remind students to pack their library bags ready to return and borrow. As a small school, we are very lucky to have such a well-resourced library for all students. Borrowing books allows students to explore books that interest them and allows you as parents the opportunity to look at and read books together.

### Woolworths 'earn & learn'

Between 1<sup>st</sup> May and 25<sup>th</sup> June, Woolworths will be promoting their earn & learn initiative where you can collect stickers every time you shop and spend \$10 at Woolies. The more stickers we can collect the more we can purchase to support student learning. So spread the word and get everyone helping you collect stickers; grandparents, friends and neighbours. A collection box is in the school foyer and at Mittagong Woolworths.

### **Return, Earn and Recycle**

Just a reminder that our Year 6 leaders are collecting bottles, cans and cartons that are marked with the 10c refund sticker. Instead of throwing them in your bin at home please send them to school so we can return them and earn some money. Help us protect our environment.

### **Yanderra Parents and Citizens Association**

Thank you to parents who were able to attend our last meeting. It has been a quiet month for the P&C. The Mother's day stall was a big success. We would like to thank all the volunteers who helped with wrapping and selling.

Our next meeting will be held on Tuesday 11<sup>th</sup> June at 2pm in the staffroom. Please note the earlier starting time.

### **Canteen News**

Please note the canteen will be closed on Friday 31 May. All workers will be at the Razorback Cross Country supporting our wonderful runners. Next month's meal deal will be a Hot Chicken Sub Roll, cupcake and drink. All children will have their order form with today's newsletter. In Term 3 we will have two meal deals. The first will be a soup and crusty roll meal deal followed by a spaghetti meal deal. With the soup, I was considering a chicken and sweetcorn or pumpkin. If you have any other ideas please see me in the canteen each Friday.

Welcome

Check out the  
blackboard  
each canteen  
day to see  
specials.

Green foods  
should  
dominate your  
child's order,  
and amber  
foods should  
be ordered  
sparingly. The  
canteen must  
stock more  
green foods to  
comply with  
compulsory  
standards.

■ Gluten Free Option Available on foods with a green square.
