Principal's Report

20th June, 2019

Our visit from Mrs Wall, (Director Educational Leadership) was a positive experience for students, staff and herself. Mrs Wall was impressed with the technology skills of primary students and their ability to use 'Spheros' to determine the perimeter of a regular shape as well as our youngest students as they attempted to make something beginning with the letter 'D'. Mrs Wall enjoyed our Learning Assembly and commented on the positive relationships between the students and the special connections that come from a Small School.

Well done to the students who attended the NSW Touch Football Gala event at Mittagong Oval last week. I know everyone enjoyed the day and had the opportunity to participate in several games. It is a good sign when students arrive back to school with aching legs from all their hard work. Once again, Mr Hockey was proud of not only your sportsmanship but also your attitude towards playing and representing your school.

It is with regret that I announce that Mrs Hall has decided to finish her teaching contract at the end of this term. Mrs Hall has worked hard to instill a love of learning within each student in her care and I know that the students will miss her. The position has been advertised and should be finalised before the end of term. We wish Mrs Hall well as she continues her teaching career.

It is anticipated that semester 1, student reports will be ready to go home during next week. I would like to thank teachers for the work they have put into ensuring that the reports are a true reflection of each students achievements. Enclosed in each report will be a short survey for you to complete about the report. This will help the schools who are part of Fair Education to make any necessary changes to the report to reflect the needs of families in understanding student learning.

On Thursday 27 June, Stage 3 teachers from local schools and Science teachers from Picton High will meet in our Library to plan a unit of work for stage 3 students in STEM (Science Technology Engineering & Mathematics). This will be a positive step in primary and high schools working together for student learning.

Woolworths 'earn & learn'

Thank you to all families who have collected stickers for the school. The 'earn and learn' promotion is due to finish on Tuesday 25 June. I am sure the school will benefit greatly from your generosity.

Yanderra Parents and Citizens Association

Our next meeting will be held on Tuesday 13th August at 2pm in the staffroom. We hope to see everyone at this meeting.

Canteen News

It is great to see so many students making healthy choices when both ordering and purchasing from the Canteen. Please remind your children to always use their manners when at the canteen. All the workers enjoy hearing please and thank you from the children.

Student Attendance

It is a legal requirement that children attend school every day unless they are sick or have to attend a medical appointment or family event. Having time off school because it is cold, a birthday or because children don't want to attend school is not acceptable. A note or Doctor's Certificate explaining the absence must be provided to the school when the student returns.

A note can be sent through the Skoolbag, email or phone the school.

FREE SCHOOL HOLIDAY ACTIVITIES

JULY 2019

Hill Top Community Centre
30 CUMBERTEEN STREET HILL TOP 2575 NSW.

Tuesday 9th July 2019
