A MESSAGE FROM THE PRINCIPAL

As you can see from our 'Dates for the Diary' section of the newsletter the second half of the term is packed with exciting opportunities for our students. Our future athletics champions are off to represent Yanderra Public School at the Razorback Zone Athletics Carnival this Thursday and Friday. We wish these students the very best of luck. Week 7 will see our dance team perform at the Wollondilly Performing Arts Program. A big thank you to Mrs Middleton who has organised and prepared this group of students for what will be a wonderful experience.

Last week saw us celebrate BOOK WEEK for 2019. We had a lovely morning of sharing stories and parading in our imaginative costumes. Our assembly last week was made even brighter by Ms Davis and Superhero Blue entertaining us with their delightful performance and a big congratulations to our three newest school members Leah, Holly and Jed for being recognised as Safe, Respectful Learners. Last week also saw us farewell Ms Pepperall and Mr Hockey, we would like to thank them for the contribution they made to Yanderra Public School and wish them luck in their new roles.

Exciting infrastructure improvements are being undertaken at Yanderra Public School over the coming months. Our administration building including our 3/4/5/6 classroom is getting a brand new roof, our bubbler area is being resurfaced and other sections of our concrete play spaces are being levelled and renewed. The majority of these works are scheduled for weekend periods and should not impact the day to day running of the school however, we may need to make some adjustments as these projects develop.

At times our school office may be unattended. If during these times you require information, assistance or access to the school please call us on 46841377 and a staff member will come to the front office and assist you. Please also be aware that supervision for the school day begins at 9am. No students should be on school grounds prior to 9am.

Acting Principal
